

# Read all about it!

## You will need:

Sheets of newspapers  
and markers.

## How to

Place a sheet of newspaper in front of you with the short end at the top. Fold one top corner right over to the opposite side to make a point at the top. Crease well. Fold the top point over to the opposite side to make a roof shape. Crease well. From halfway down each side of the roof, tear straight down to the bottom of the page. Unfold the newspaper to discover a cross. Write "Jesus is alive" on the newspaper cross.

**Talk about** how we all need to share the good news of Jesus. His next surprise is that he will come back to life on Easter! The newspaper is full of news, but the good news of Jesus is the best news of all.
